

Interactive Evolution: 24 Years of StarBoard Innovation

Education First

StarBoard[®]

INTERACTIVE SINCE 2001

A photograph of a classroom. A male teacher in a dark suit and white shirt stands at the front, smiling. Several female students in school uniforms (white blouses and dark vests) are seated at desks, also smiling and looking towards the front. The background features a bulletin board with colorful papers and a whiteboard.

The Beginning: Hitachi's Vision Hitachi – Education First

Japanese origin,
education as
priority, not profit

Software designed
to improve
learning outcomes

Japanese + Oxford Collaboration

Precision + Philosophy

Old Whiteboard vs IR Frame

Innovation

Independence

Hitachi Passing Torch to StarBoard

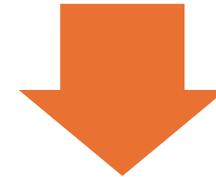

HITACHI

StarBoard

Transforming the Modern Interactive Classroom and Meeting Room

Engagement

*The freedom of
independence also
meant we could
innovate faster*

Core Values of StarBoard

- **Our Principles**

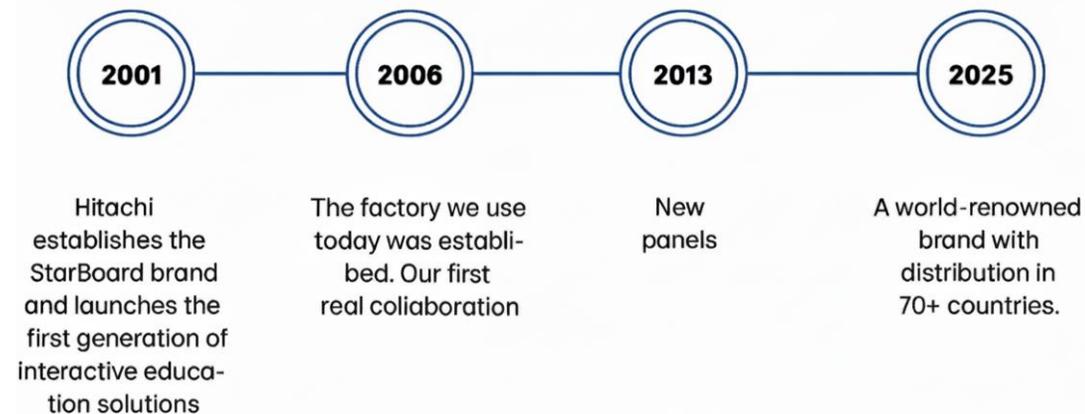

1. *Quality!*
2. *Sustainability!*
3. *Reliability!*
4. *Education first always!!*

Timeline 2001 → 2025

Our Journey

Milestones.

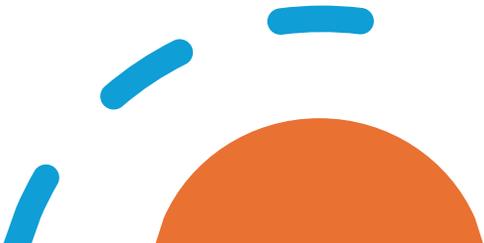

Evolution and Independence

- **Growth**
*24 years of development, from
whiteboards to panels!!*

*We honour
where we
came from*

*We took what we learned in classrooms and
empowered the meeting room; because a
meeting room is just a classroom for grown-
ups.*

Mission
StarBoard's
enduring
philosophy

Thank you for being part of this journey.
Thank you for supporting us, challenging
us, and believing in what StarBoard
stands for, in classrooms and meeting
rooms alike.
Education first. Always!!

Thank You

Together, celebrating supporters, teachers,
learners, and the meeting rooms where ideas
come to life worldwide!
