**Four times Bechtle – even more IT expertise for Aachen, Essen, Köln and Solingen.**

Hello, dear business partner,

we have merged our activities of Bechtle Aachen, ITZ Essen, Bechtle Köln and Bechtle Solingen into a joint company. Four system houses have become an even more powerful team. With integrated support from one organization, we also underline the great importance for the Rhineland technology region and the neighboring economic area.

The merger took effect in June, retroactively dated to January 1, 2025. The managing directors are Peter Heinrichs, Markus Kiefer, Marian Müller and Thomas Stachorra.

From this point onwards, the existing business relationship has automatically been transferred by operation of law to **Bechtle GmbH IT-Systemhaus Rheinland** by way of universal succession. The existing **contractual relationships and orders remain valid** without restriction and will continue unchanged. All contact persons and individual support will, of course, remain in place, as will the Solingen location.

As part of the merger, some of our company details have changed, as communicated in early June. To ensure an uninterrupted processing of your commercial transactions, please use the following updated creditor/debtor information with immediate effect:
