Preliminary Information on Master Data Adjustment

Dear Sir or Madam,

we are consolidating the activities of Bechtle Dortmund, Bechtle Krefeld, and Bechtle Münster into a single company. Three system houses are coming together to form an even more powerful team. With integrated support from a unified organization, we emphasize the great importance of the Westphalia and Lower Rhine economic regions and continue to expand our expertise – on a scale that is unique in our region.

This means that, formally, only a few of our company details will change for you. All contact persons and personal support will, of course, remain as they are.

All contracts, agreements, and orders previously concluded with Bechtle GmbH remain fully valid and will continue unchanged.

We kindly ask you to make the following adjustment in your systems:

**Bechtle GmbH
IT-Systemhaus
Westfalen-Niederrhein**
Walter-Bruch-Straße 8

**Bechtle GmbH

59872 Meschede

**Bechtle GmbH

All other master data remain unchanged.

If you have any questions, please do not hesitate to contact us at any time.

Thank you for your trust, and we look forward to continuing our cooperative and trustworthy partnership with you.

Best regards,

Frank Wrede
