

Modern Meeting Solutions

– for better collaboration!

Ihr starker IT-Partner.
Heute und morgen.

Modern Meeting inspiration

Holistic approach. 360° view on Modern Meetings.

Looking to drive modern meeting working in your company?

You need to take a structured and **holistic approach** to the Modern Meeting project.

Experience **modern technologies** live in one of our Bechtle show-rooms and take away personalised, vendor-neutral **recommendations** from our specialists.

bechtle.com

Services

- Documenting your **needs** and **requirements**.
- Live demonstration of a range of use cases and products best-suited to your situation in our showroom.
- **Feedback session** and next steps.
- Initial **recommendations** and **pricing**.
- Option for additional, personalised **workshops** for your users.
- If required, a **proof of concept** for the service(s) offered.

The experience is available on-site, virtually and in hybrid form.
