Manage, update, and integrate with Jabra Direct, Xpress, and our SDK

# Perform 75

Bluetooth headset designed for shift work in retail operational environments

## Easy to manage and ensure uptime

- Hot-swappable battery
- Up-to 20h talk time & 50h PTT time
- Modular with mass charging and storage solutions

## Tap to communicate handsfree

- Dedicated button integrates with PTT capabilities on handhelds

## Easy to use and pair

- Boom arm can be flipped vertical to mute
- Intuitive, accessible volume control
- Fast Bluetooth NFC tap to pair

## Built for challenging environments

- IP65 rating
- Works reliably in temperatures from -30°C to 60°C
- Easy to clean with 70% isopropyl alcohol wipes

## Easy to wear

- Over-the-head & behind-the-neck wearing styles
- Replaceable leatherette & foam cushions

## The highest standards of intelligibility

- 99% noise cancelling algorithms & microphones prevents background noise interfering with communication and voice prompts
- High audio intelligibility reduces repeats

# Perform 75: a modular solution

For quick assembly at the start of a shift,  
easy equipment storage and management,  
and reduced per-person costs

**Charging Bay\***
