Preliminary Information on Master Data Changes

Dear Sir or Madam,

we are consolidating the activities of Bechtle Dortmund, Bechtle Krefeld, and Bechtle Münster into a single company. Three system houses are coming together to form an even more powerful team. With integrated support from a unified organization, we are emphasizing the great importance of the economic regions of Westphalia and the Lower Rhine and are further expanding our expertise – on a scale that is unique in our region. At the same time, we have relocated our long-standing site in Krefeld to Düsseldorf, where we have moved into modern, forward-looking premises. Since July 9, you will find us at Hansaallee 299, 40549 Düsseldorf.

This means that, formally, only a few of our company details will change for you. All contact persons and personal support will, of course, remain unaffected.

All contracts, agreements, and orders concluded with Bechtle IT-Systemhaus GmbH Krefeld remain fully valid and will continue unchanged.

Once the merger of our companies is formally completed, we kindly ask you to update our master data as listed below. The merger is expected to take place in the course of August 2025. We will notify you proactively once it is finalized.
