Vision 2030 –
Bechtle: Integrate IT. Architect the future.

We aspire to lead the market.
We focus on IT markets where we can carve out a leading position. Our growth is above market with our sights set on a revenue mark of 10 billion euros.

Growth and foresight underpin our success.
We are able to build a sound future for Bechtle by pursuing sustained profitability. An EBT margin of 5 per cent or more gives us the freedom to invest while safeguarding our security and independence.

We empower business.
We understand our customers and deliver future-oriented IT to drive their success.

IT is our passion.
We are professionals. We strive to excel and we have what it takes. Bechtle is a place where great people accomplish great things.

Outlook –
2022 forecast remains optimistic.

Assumptions.
- Supply bottlenecks hampering our manufacturing partners will relax over the year.
- Our record business backlog will gradually translate to revenue.
- Customers persistently keen to invest in IT, producing new business leads.

Realistic objectives.
- Bechtle is optimistic for the current fiscal year.
  - Significant growth in terms of revenue/business volume and earnings (5% – 10%)
  - EBT margin on par with previous year
