

# International Business

## Cross-border IT solutions by Bechtle

Perhaps you're already a Bechtle customer? Then you'll know that we have all things IT covered—from your endpoints to the data centre and everything in between, including the most complex business challenges.

**But did you know that you can rely on the same professional support on an international scale?** With our own locations in 14 European countries and a Global IT Alliance, we are the perfect IT partner for your international organisation. Discover how we can help you advance your international business.

### International service offering

- Strategic hardware and software procurement
- Advanced services
- International project management

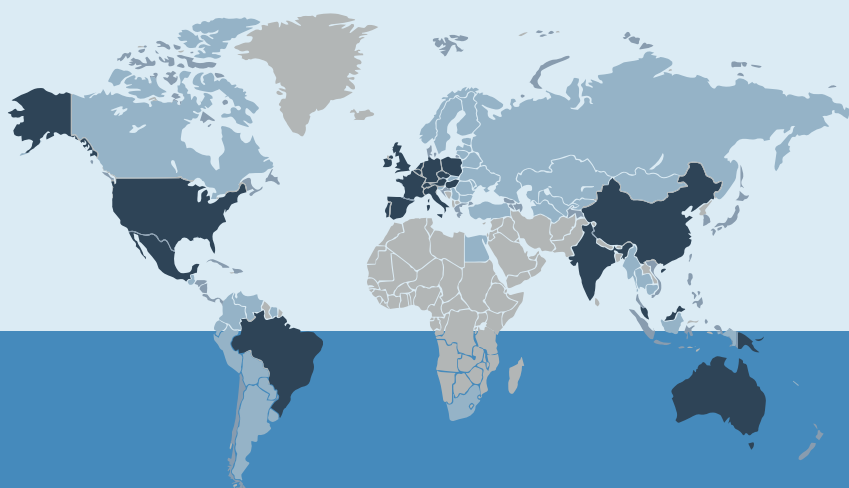

### On your doorstep anywhere in the world

- Bechtle sites in 14 European countries
- Worldwide partnerships
- Great track record and excellent standing with vendors around the globe

### As individual as your organisation

- Custom logistics and export solutions
- Streamlined e-procurement via our e-commerce portal, bechtle.com
- Alternative global procurement portal, Bechtle Global Access
- Support tailored to your organisation's needs

**“Bechtle’s International Business Unit supports our customers with their international deployments Working across borders allows us to increase collaboration and communication with our international customers, support them with local invoicing and tax issues, and ensure we fulfil their deployments on a regional and global scale thanks to our extensive network of international partners.”**
