Vision 2030.
Bechtle: Integrate IT. Architect the future.

We aspire to lead the market.
We focus on IT markets where we can carve out a leading position. Our growth is above market with our sights set on a revenue mark of 10 billion euros.

Growth and foresight underpin our success.
We are able to build a sound future for Bechtle by pursuing sustained profitability. An EBT margin of 5 per cent or more gives us the freedom to invest while safeguarding our security and independence.

We empower business.
We understand our customers and deliver future-oriented IT to drive their success.

IT is our passion.
We are professionals. We strive to excel and we have what it takes. Bechtle is a place where great people accomplish great things.
Sustainability Strategy 2030.
Four strategic areas of action.

ETHICAL BUSINESS PRACTICES are a matter of course.
We fulfil our duty to ensure human rights are respected along our supply chain.

The PEOPLE we work with drive our success.
We embody fairness and value our business partners and employees. Our team is diverse, motivated and highly qualified.

We embrace a sustainable ENVIRONMENTAL approach in everything we do.
We operate in harmony with our environment to conserve our climate and resources into the future.

We shape a sustainable DIGITAL FUTURE.
We drive future-facing digitalisation and contribute to our customers’ success through sustainable innovation.
