

International Business

Cross-border IT solutions by Bechtle

Perhaps you're already a Bechtle customer? Then you'll know that we have all things IT covered—from your endpoints to the data centre and everything in between, including the most complex business challenges.

But did you know that you can rely on the same professional support on an international scale? With our own locations in 14 European countries and a Global IT Alliance, we are the perfect IT partner for your international organisation. Discover how we can help you advance your international business.

International service offering

- Strategic hardware and software procurement
- Advanced services
- International project management

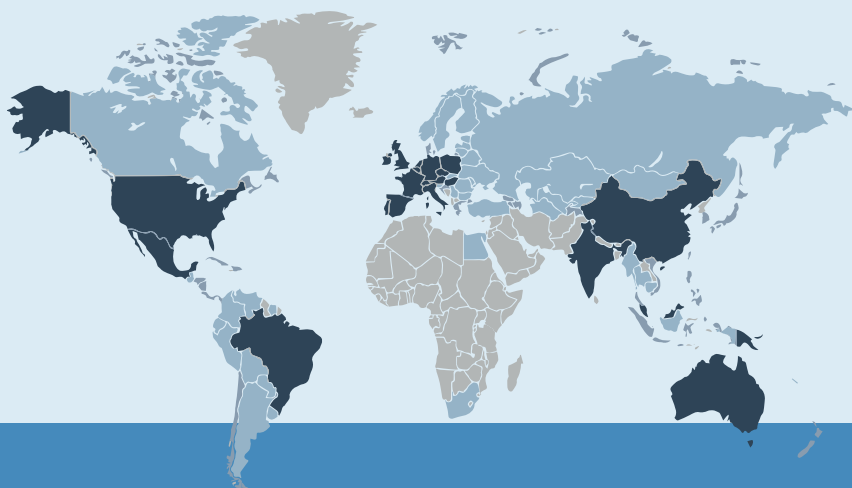

On your doorstep anywhere in the world

- Bechtle sites in 14 European countries
- Worldwide partnerships
- Great track record and excellent standing with vendors around the globe

As individual as your organisation

- Custom logistics and export solutions
- Streamlined e-procurement via our e-commerce portal, bechtle.com
- Alternative global procurement portal, Bechtle Global Access
- Support tailored to your organisation's needs

“Globalisation dictates the way and pace at which regions and organisations around the world (have to) develop.

Are you wondering how you can scale the international expansion of your business to keep in step with a fast-growing competitive landscape?

Together with our partners around the world, we at Bechtle help you not just to keep up, but to stay ahead. With a centralised procurement system and decades of experience in international business, we'll work with you to develop the perfect roadmap towards your vision and unlock new benefits for your clients along the way. What are you waiting for? Let's build your future together.”
