

# International Business

## Cross-border IT solutions by Bechtle

We have all things IT covered – from your endpoints to the data centre and everything in between, including the most complex business challenges.

**But did you know that you can rely on the same professional support on an international scale?** With our own locations in 14 European countries and a Global IT Alliance, we are the perfect IT partner for your international organisation. Discover how we can help you advance your international business.

### International service offering

- Strategic hardware and software procurement
- Advanced services
- International project management

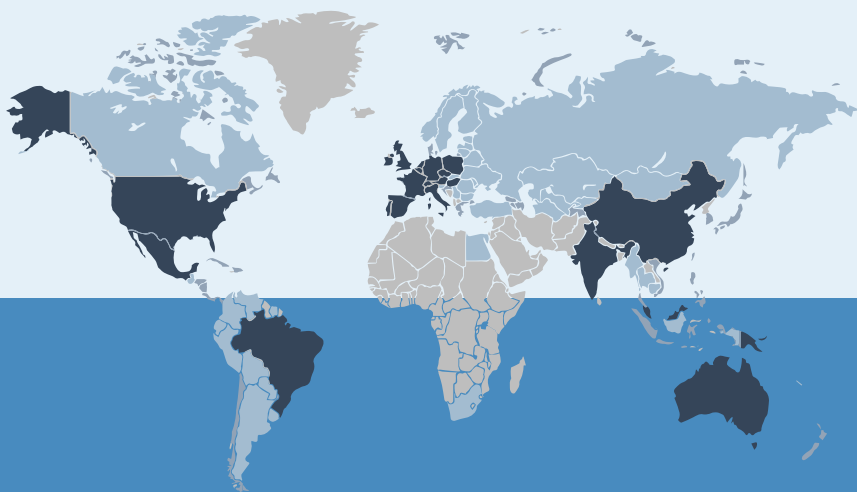

### On your doorstep anywhere in the world

- Bechtle sites in 14 European countries
- Worldwide partnerships
- Great track record and excellent standing with vendors around the globe

### As individual as your organisation

- Custom logistics and export solutions
- Streamlined e-procurement via our e-commerce portal, bechtle.com
- Alternative global procurement portal, Bechtle Global Access
- Support tailored to your organisation's needs

**“Having international locations presents a number of challenges and many of our customers approach us with questions like ‘Can you also deliver our standardised catalogue in other countries?’ or ‘Can you offer us a complete global solution?’ The answer is: absolutely, yes—and better than anyone else.”**
